NAVAJO RUG RESTORATION, TRADING AND WEAVING

*A 5' x 8' Navajo "Crystal Blue" Indigo Rug  
with a Yei border outlined in turquoise*

See the story about our new Navajo rugs and restoration business in the July/August 2006 issue of HALI, published in London. We'll send you a copy upon request.

We buy and sell old and new Navajo rugs, and provide restorative services: both cleaning and re-weaving.

When you plan your vacation or archaeological expedition to visit, hike and explore Mesa Verde National Park and The Canyons of the Ancients National Monument located near Cortez, please make an appointment to visit us.

You can privately view our old and new Navajo rugs for sale. Some of our new rugs for sale are on our web site's 'Cortez Collection' link.

We hand dye the wool for our Navajo weavers, using aniline dyes, cochineal and indigo.

We re-weave and wash Navajo and Southwestern textiles. Our web site's 'Services' link provides details.

We can have a Navajo rug woven to your specifications (size, design, color). You can special order a chief's blanket, a Ganado, Crystal, pictorial, or have a rug woven with your company name on it.

**BUYING OLD NAVAJO RUGS IN ANY CONDITION,  
INCLUDING THE GOOD, THE BAD, BUT NOT THE UGLY!**
